

MEMORANDUM

TO: Program, Finance and Personnel Committee
FROM: Carl J. Stephani, Executive Director
DATE: May 10, 2010

FOR AGENDA: June 3, 2010

SUBJECT: Executive Director's Performance Evaluation

At your last regular meeting on May 6, 2010, you began the process of evaluating the Executive Director's performance and asked to include additional time for discussion of that topic on the agenda for the June 3rd meeting.

On that basis, it is my

RECOMMENDATION

that your Committee

Pass a motion to move into Executive Session to discuss the Executive Director's performance, and report the results of the discussion upon re-convening the regular Committee meeting.

Discussion

The agenda materials you were provide for the May 6th meeting included a blank Agency employee performance evaluation form. Please let staff know if you need another copy of that form. In the past employees have been granted performance, or "merit," salary increases on the basis of the results of their performance evaluation. Next year's Final Draft Budget includes funding for a potential increase of up to 2% for employees who are not experiencing changes in their Classification Description. In the past, the PFP Policy has been to grant the full merit increase to employees who achieved a score of at least 9.0 on their performance evaluations; .75 to employees scoring between 8-8.99; and .50 to employees scoring between 7-7.99.

MEMORANDUM

TO: Program, Finance and Personnel Committee
FROM: Carl J. Stephani, Executive Director
DATE: May 10, 2010
FOR AGENDA: June 3, 2010
SUBJECT: Recommendation to the Agency Board - Final FY2010-2011 Budget

The attached Agency Budget for FY2010-2011 is virtually identical to the one presented to you at your last regular meeting on May 6, 2010. The year-do-date revenue and expenditure lines have been brought up-to-date, but few other changes have been made to it. It would fund several changes in staffing, including establishment of a Senior Planner/Assistant Director, and a Senior Planner/IT Manager position; and would permit the hiring of up to ½ of an additional Regional Planner over what we have this year. It would allow a cost-of-living increase of .5% to the two employees whose classification descriptions would not change (Executive Director and Office Manager/Bookkeeper) and an up to 2% merit increase for those positions.

The attached FY2010-2011 Budget would continue the Agency's participation in the same employee health insurance program that we have this year with an anticipated increase of 15%. That increase will be mitigated to the extent of \$9,500 by the Executive Director's decision to enroll in Medicare Part B. Further limiting the increase is another increase in co-pays following the increases that employees experienced last year (co-pays for prescriptions will increase from \$5/\$10/\$15 to \$10/\$20/\$30; co-pays for doctor visits will increase from \$10/\$20 to \$15/\$25). Several other HMO and PPO plans were reviewed prior to reaching this recommendation, including those offering rates available thru the Bristol Chamber of Commerce. Key elements of the current PPO plan that are maintained are the ability to select from a broad variety of providers, including out-of-state doctors/hospitals, and limited hospital stay deductibles.

The budget does not include funding for any new programs, although there is the potential for a \$15,000 contract with the City of Bristol for writing zoning language for a new workforce housing incentive zone.

As has been the practice for the past decade, the budget maintains municipal dues at the same level. The budget does not include \$9,500 of State funding (SGIA, or State-Grant-in-Aid) even though that money is in the adopted State budget for next year. That money is not included in the budget because this year we had to wait until early May to receive that Grant, and the new Governor may decide to "claw-back" that money.

The attached budget will enable the Agency to continue to fulfill its transportation planning (Metropolitan Planning Organization, or "MPO") responsibilities, to conduct its paratransit services program, to complete its Comprehensive Economic Development Strategy, and fulfill all of its other responsibilities, including its subdivision/zoning/planning referral reviews, its Regional Performance Initiative program and Pequabuck River Dam project financial management, and its Citizens' Emergency Response Team program administration.

On that basis, it is my
RECOMMENDATION
that your Committee
Recommend that the Board adopt the attached Agency Budget for FY2010-2011

cc: Agency Board
Attachment: FY2010-2011 Agency Budget

Tunxis Community College Continuing Education and Business and Industry Services Advisory Council

Tunxis is re-activating an Advisory Council to provide in-sight, direction, general evaluation, and relevance of training and programs as we strive to meet the demands of today's market. The Advisory Council plans to meet quarterly to provide their expertise as the College advances toward this goal in the areas of Continuing Education and in-service training.

Our first meeting is scheduled for June 24th at the main campus in Farmington. The plan is to have our working meeting start by 8:00 AM with a completion of no later than 9:30 AM.

Tunxis Community College looks forward to having the expertise and ideas of the CCRPA represented through Carl Stephani.
